

Dear Parent/Guardian,

After lengthy discussions and feedback from parents, students, senior leadership and the governors at Perins, we are writing to communicate the outcome of the skirt consultation. We would also like to thank the parents, staff and students that offered their time to take part.

We have made the decision to introduce a new, compulsory skirt to the Perins uniform. It is a black, pleated skirt, with the Perins crest embroidered near the waistline. To ensure a comfortable fit, when purchasing the skirt, you can customise the waist size and length, so that the skirt sits **at the knee when the student is standing**. Please note that there is a trouser option at Perins if girls do not want to wear a skirt. For more details and advice on purchasing the correct skirt size or our trouser option, please see the Uniform Guidelines found on our website and on the attached document.

The new Perins skirt will be available to buy at the uniform evening on **Wednesday 27th June 2018**, the price of which will range from £16.50-£19.50 depending on size. The uniform supplier is more than happy to allow your child to try on the skirt before purchasing to ensure the correct size.

Yours faithfully,

Miss A Craig and Miss J Grew

Assistant Headteacher
