

Perins Uniform

Specifics of the Perins Girl's Uniform

Blazer: Traditional school uniform style in black with school badge on breast pocket.

Skirt: A black, pleated skirt with the Perins badge. The skirt should at all times **touch the child's knee when they are stood upright**. Please allow for growth then purchasing the skirt; our suggestion would be to buy a skirt which will give your child as much wear as possible but still conforms to the rule of touching the knee. Below is information given to us by a paediatric Growth and Endocrine Nurse Specialist.

Girls and boys grow at an average of 5-6 cm per year from about the age of 6, this continues until puberty begins. After this time and for the next two years girls will grow around 12-15 cm per year.

'Flip flop' action is unacceptable.
