

# PERINS SCHOOL

Year 6 into Year 7  
Transition

Frequently asked questions

# Which way do I come into school?

There are three entrances you can enter the school from; One is located on The Avenue almost opposite Arlebury Park (crossing point), another off the Avenue opposite Pound Hill (there is pedestrian access, but this is also used by delivery vehicles, and staff to access the staff car parks – NOT to be used by families to drop off students). The main entrance to the school site is the one off Jacklyns Lane which is also where the school buses enter/leave. This is also where parents/carers can drop off/collect students.

1. Turing- Mathematics
2. Sports Complex - Gym & Dance studio
3. Pascal- English and Media
4. Eliot - IT, Languages, Art, Photography, Student services & Learning support
5. Rousseau - History, Geography and RE
6. Ibsen - Music and Drama

7. School Office
8. Main Hall
9. Sports Hall & Stephenson - Design Technology & Food Technology
10. Nightingale - Science
11. The Junction - where we support individuals who struggle to access learning.

# How long is the school day?

The school day starts at 8.40am and finishes at 3.15pm. You should be on the school site by 8.30am so you're not late to AM tutor time.

## How many lessons are there and how long are they?

There are five lessons in each day, with each lesson being 55 minutes long. Perins has a two-week timetable (week A and week B) – sounds confusing, but you will get use to the timetable.

We have school bells throughout the day, but you must always wait for the teachers permission before leaving the classroom.

8.40 – 8.50am	Tutor time – morning registration
8.50 – 9.50am	Lesson 1
9.50 – 10.50am	Lesson 2
10.50 – 11.10am	Break time
11.10 – 12.10pm	Lesson 3
12.10 – 1.10pm	Lesson 4
1.10 – 1.50pm	Lunch time
1.50 – 2.15pm	Tutor time – afternoon registration (or assembly once a week)
2.15 – 3.15pm	Lesson 5

## When do I find out which Tutor group I am in?

Organising tutor groups is a very complex task, but we hope to let you know who your tutor is towards the end of the summer term while you are in year 6. You are placed in tutor groups using all the information given to us by your primary school teachers; this includes any information regarding issues which may exist (past or present) between students.

We are unable to guarantee that students will be placed with their closest friends. We work very hard to ensure that where students are joining on their own from their primary school to match with other students joining us on their own. If students know other students joining us (from clubs outside of school), please let us know.

## When do I find out who is going to be in my tutor group?

On Induction Day you will get to meet the other students in your tutor group as well as meet your tutor and get to spend time getting to know them.

Your tutor takes the register and is there every day to answer any questions you may have. Your parents/carers can contact them too if they have any concerns.

## When do I find out which House I am in?

When you find out your tutor group, you will also find out which House you are in (you may not be in the same as a sibling). We have four Houses at Perins: Ventus (yellow), Ignis (red), Terra (green) and Aqua (purple). Each House has a different colour striped tie.

## Will my lessons be taught in my tutor group?

You are not taught in your tutor group. Your teaching groups are different, so you get to meet lots of new friends. We are unable to guarantee you will be with your closest friends.

## When do we get our Yr7 timetable?

You will find out your timetable and be given a copy on your first day in September.

## What lessons will I have at Perins?

Many of the lessons will be the same as in your primary/junior school such as Maths and English. You will also do; Science, Geography, History, RE, Life Studies (PSHE), Art, Drama, Music, Technology, PE and either French or Spanish. In Year 7 you also study Perins Values, Transform, Speaker Programme, Digital Literacy, and have a silent reading lesson.

## How do I find my way around Perins and what happens if I get lost?

Everyone gets lost and we understand that as a new Year 7 you probably will and it's absolutely normal! You will be given a map of the school site and you will very quickly find that you start to remember your way around. If you get lost just ask someone, there are always staff members around and about. Perins' staff are identified by a blue staff lanyard worn around their neck.

## How long is break and lunchtime?

Break time is 10.50 to 11.10 am and lunch time is 1.10 to 1.50 pm. Year 7's start lunch 10 minutes ahead of the rest of the school in September for a few weeks, so you can get to the front of the queues in the canteen and get used to the 'hustle and bustle'.

## What kind of food is there in the canteen?

Aspens are the caterers at Perins, and they offer a wide variety of food catering for everyone; a daily main meal, pizzas, paninis and pasta bowls, salad bar, baguettes, sandwiches, and many desserts such as muffins, biscuits and fruit. A lunch meal deal costs £2.60, you can find further [information here](#).

## How do I pay for my lunch?

Our canteen is cashless, and payment is made in advance, into your account via our online payment system (SCOPAY). To buy items in the canteen, we use face recognition to identify the student. It displays the student's name and their account balance; deducts for the items being bought and then shows the remaining balance.

## Am I allowed to bring a mobile phone to school?

We recognise that mobile phones for some of our students may be necessary before and after school. However, students must switch their phones off when they come onto the school site and place them in their bags.

Should a parent/carer need to contact a student during the school day, contact should be made through the school office.

If a mobile phone is seen or heard between 8.40 am – 3.15 pm you will be sent to Student Services (Eliot building) where it will be confiscated. You can collect your mobile phone at the end of the school day. If you are caught for a third time, your parents/carers will be asked to collect it.

## What happens if I lose my mobile?

The school does not take ANY responsibility for mobile phones, and we encourage mobile phones not to be brought into school.

## Am I allowed to wear jewellery?

The only jewellery you are permitted at Perins is a watch and one earring in each ear. These must be small and discreet studs only.

## Am I allowed to wear my hair down?

Yes, you can but you should always have a hair tie with you for practical lessons such as PE, Technology and Science.

## Can girls wear trousers?

Yes, girls can choose to wear trousers but must be within the school uniform guidelines.

## What are the older students like?

Many of our older students are very supportive of our younger students and will help you if you are lost or need some support. Some of our Year 11's are PORs (hold Positions of Responsibility) and you can spot these students by the different ties they wear.

## What if I get bullied at school?

At Perins we do not tolerate bullying and it is really important that you tell someone, whether this is a friend, parent/carer, your tutor, or your Head of Year. You must tell somebody to enable them to deal with it for you.

## What do I do if I'm not feeling unwell?

If you are feeling unwell during the school day you must go to the main school office (near the big tree). If a member of the office team feels that you need to go home, they will contact your parents/carers. Please do not contact your parents/carers to collect you if you're feeling unwell. The office team will make contact.

## How much homework will I get?

In your first few weeks, you will not have any homework while you settle into the routines of secondary school. After that, you will receive homework in all subjects. You should spend around 30 minutes per piece of homework and in most cases, you get one week to complete your homework.

## How will I find out what my homework is?

We use a system called Edulink which tells you what your homework is, and when it is due and will have resources to use if you need them. Your parents/carers will also have access to this, so they can see what homework you have.

## What happens if I don't complete my homework?

Homework is one of the big expectations at Perins and all students are expected to complete their homework. If homework continues to not be completed, you will be given detentions to enable you to complete the work.

## If I'm struggling with my homework, who can I talk to?

If you are struggling to complete your homework, talk to your subject teacher. You can either talk to them face to face or email them. This must be done in good time before the homework is due, so you have the opportunity to complete it and hand it in. We also have a homework club that takes place at lunchtime on Tuesdays and Thursdays.

## What clubs are there that I can join?

There are many enrichment clubs at Perins that you can get involved with from creative arts to PE. You and your parents/carers will be informed of these at the start of the Autumn term. You can join more than one club and we encourage this. It is a great way of meeting new friends outside of your normal friendship groups.

## Lost Property

Please can all uniform, PE kits, bags, lunch boxes, and water bottles be named! All lost property that is named normally finds its way back to its owner. All lost property is taken to the main school office (near the big tree).

As a school, we take no responsibility for lost property.

## What will I need to bring on my first day in September?

On your first day, you will need to bring a notebook, pencil case, water bottle and a packed lunch. You will NOT need your PE kit on your first day. We will provide you with a full list of what you need so don't worry.

If you have a question that we have not answered above, please email the Transition team and someone will get back to you. No question is silly, all questions are important, and we will update the website with any we receive. You never know, someone else may have had the same question!

We will send out more details on what to expect on your first day at the end of the summer term.
