

Welcome to Perins School – Important Information for Parents

Dear parents and carers

It is with immense pleasure that I welcome you to the Perins School family. Whether you are new to us or already part of our community, may I take this opportunity to reaffirm our commitment to working in partnership with you to support your child's journey with us.

As Perins Head of School, I am excited to embark on this journey with you, ensuring your child thrives both academically and personally throughout their time at Perins. Choosing the right school is a significant decision, and we are delighted that you have chosen a school that sets high aspirations for its students and encourages them to inspire others. Many of our alumni have gone on to achieve remarkable things, and I have no doubt that this cohort will do the same.

Our dedicated team is ready to introduce students to the Perins environment, curriculum, and values—the foundation of our school ethos.

Supporting Your Child's Transition

We understand that moving to secondary school comes with a lot of information, and we are here to guide you through each step. During the coming months, we will provide key updates on transition events, school routines, and everything your child needs to feel fully prepared for September.

To help with this, we have a dedicated [transition area on our brand new website here](#), where we will update essential information throughout the spring and summer terms. We also encourage you to check our [news section](#) and follow us on [Instagram](#) and [Facebook](#) for further insights into life at Perins.

Liaising with Primary Schools

Our transition team will soon be in contact with your child's primary school to gather key information that will help us understand and support their individual needs as they prepare to join Perins.

Sports Taster Day – Tuesday 2nd September 2025

To further help new students settle in, we host a sports taster day at the end of the summer holidays. This is a fantastic opportunity for students to take part in either rugby or netball, reconnect with new classmates, continue building friendships before the school year begins, and enjoy a fun introduction to our sports programme.
