Dear Parent/Guardian

Professional Mouth Guard Fitting – Friday 6th September, 2019

For all pupils who take part in rugby and hockey, we strongly recommend that mouth guards are worn. A dentist will be coming into school on Friday 6th September to take fittings for mouth guards at a cost of £25.50, however, cheaper alternatives can be bought from sports shops which we happily accept. Please note this is an annual visit so please do let us know if you would like your child fitted for a mouth guard. There will be no further opportunities during the academic year.

Fittings will take place at lunchtime – Classroom B1 on Friday 6th September, 2018. The finished mouth guard will then be delivered to school within a couple of weeks and can then be collected from the PE Office.

Payment for these can be made **online** via your child's account in Scopay. If your child is currently in year 6 you will be able to pay for these once you have been issued with your Scopay log on code. We do not require the reply slips to be sent back if you are paying online. **Cheques and cash** are still accepted (cheques made payable to 'Perins School') and for these, the reply slip below needs to be completed. Please make sure that this is handed in with your payment to the Finance Office.

Deadline for payments is 9am on Wednesday 4th September 2019.
