

Lost Property

Over the course of each term we accumulate a vast amount of lost property. The school will hold this centrally in Reception and if the item is named we will email the student to let them know it has been found, asking them to collect it. Unnamed items are also stored but these are cleared out once a term – a message is put in the Daily Bulletin to encourage students to check lost property in advance of this. Lockers are available to hire which provides additional storage: please contact the Reception for more details.

Please could you ensure you name all items including bags, shoes and coats, as this significantly increases the chance of us reuniting lost items with their owner!

Please note that lost property is cleared out once a term and unnamed uniform will be given to Friends of Perins
