

1/12/21

*Dear Mr Brine, The Winchester MP,*

*We are fellow year 11 (prefects) students from Perins School. We are writing to request an Alresford Christmas market and small ice rink for the holidays.*

*Every year Alresford puts up many small, festive trees on the Hight Street shops and homes. The big tree is also a statement and the complimentary nativity scene adding to festive joy to Alresford. However, the repetitive decorations need to be updated. Adding more to the delicate, pretty town of Alresford will bring more joy to the holidays. Also, more attraction from the community.*

*Winchester has cancelled their ice rink this year which has removed the Christmas joy from the nearest town. This would only be possible with your help, Perins is happy to do fundraisers. We just need your help, to put more holiday spirit after the tough years we have endured due to the pandemic. We hope you take consideration and find in your hearts to help Alresford be even more special this December. Food stalls and charities would be able to have stalls to make the festive joy from Alresford to other areas.*

*Thankyou for your time, please take this in consideration.*

*We would love you to bring a new sense of Christmas to Alresford!*

*Yours sincerely, Hattie and Maddy, two prefects of Perins school.*
