

Alresford at Christmas time...

2021

Merry Christmas!

A little bit of magic...

Through the sparkling night-time sky
A spec of magic appears way up high
Glistening and glinting as the snowflakes fall
Upon the grounds of Perins school

The night before Christmas is at its last stop
With lights upon the steam train and every shop
Cosy jumpers, scarves and woolly hats
Whilst groups of carol singers fill the gaps

Chimney pots bellow plumes of smoke
As excitement builds in the Alresford folk
Rushing and racing for last minute gifts
Butchers and bakers flat out on their shifts

Crackers being pulled and parties in full swing
Secret Santa's exchanged as merriness begins
And when the real magic comes at quarter past five
Every built snowman comes alive
Christmas day is finally here
So lets raise a glass and give a cheer

Merry Christmas
