When do I find out which Tutor group I am in?

Organising tutor groups is a very complex task, but we hope to let you know who your tutor is towards the end of the summer term while you are in year 6. You are placed in tutor groups using all the information given to us by your primary school teachers; this includes any information regarding issues which may exist (past or present) between students. We are unable to guarantee that students will be placed with their closest friends.

We work very hard to ensure that where students are coming on their own from their primary school to match with other students joining us on their own. If students know other students joining us (from clubs outside of school), please let us know.

When do I find out which House I am in?

When you find out your tutor group, you will also find out which House you are in **(you may not be in the same as a sibling)**. We have four House's at Perins: Ventus (yellow), Ignis (red), Terra (green) and Aqua (purple). Each House has a different colour striped tie.

How do I find my way around Perins and what happens if I get lost?

Everyone gets lost and we totally understand that as a new Yr7 you probably will and it's absolutely normal! You will be given a map of the school site and you will very quickly find that you start to remember your way around. If you get lost just ask someone, there are always staff around and about. Perins staff are identified by a blue staff lanyard that they wear around their neck.

Break time is 10.45 to 11.05am and lunch time is 12.45 to 1.35pm. Year 7 start lunch 10 minutes ahead of the rest of the school in September for a few weeks, so you can get to the front of the queues in the canteen and get use to the 'hustle and bustle'.

Aspens are the caterers at Perins, and they offer a wide variety of food catering for everyone; a daily main meal, pizzas, paninis and pasta bowls, salad bar, baguettes, sandwiches, and many desserts such as muffins, biscuits and fruit. A lunch meal deal costs £2.40 <https://www.perins.net/about-perins/general-information/catering-at-perins/>

How do I pay for my lunch?

Our canteen is cashless, and payment is made in advance, into your account via our online payment system (SCOPAY). To buy items in the canteen, we use face recognition to identify the student. It displays the student's name and their account balance; deducts for the items being bought and then shows the remaining balance.

In your first few weeks you will not have any homework while you settle into the routines of secondary school. After that you will receive homework in all subjects. You should spend around 30minutes per piece of homework and in most cases you get one week to complete your homework.

How will I find out what my homework is? We use a system called ClassCharts which tells you what your homework is, when it is due and will have resources to use if you need them. Your parents/carers will also have access to ClassCharts so they can see what you need to do and can help you organise this.

What happens if I don't complete my homework?

Homework is one of the big expectations at Perins and all students are expected to complete their homework. If homework continues to not be completed, you will be given detentions to enable you to complete the work.

If I'm struggling with my homework, who can I talk to?

If you are struggling to complete your homework, talk to your subject teacher. You can either talk to them face to face or email them. This must be done in good time before the homework is due in, so you have the opportunity to complete it and hand it in. We also have a homework club that takes place at lunchtime on Tuesday and Thursday's.

What clubs are there that I can join?

There are many enrichment clubs at Perins that you can get involved with from PE to Creative arts. You and your parents/carers will be informed of these as they start.
