

Welcoming new students and parents

Dear parents

We hope you are well rested from the Easter break. It's hopefully given your children some breathing space before their upcoming SATs. We have some information to get to you and this letter is about when and how we'll do that.

Parent Information Evening

We will be hosting a face-to-face Parent Information Evening on Monday 16th May from 6.00pm in the Main Hall here at Perins School. Given the capacity of our hall and the potential numbers attending, we are asking please for one member of each family only to attend. The information we'll be going through is aimed at you parents as the children will have their school visits and transition days to find out everything they will want to know. The evening includes presentations on areas such as the curriculum, pastoral support, SEND, transport and the laptop scheme.

[There is a link here where you can register for the Information Evening.](#) Tickets are available from 8:00pm on Thursday 28th April. We will of course make all of the information from the evening available straight afterwards for anyone unable to attend.

Primary Transition Visits

A member of the transition team has already begun visits to each and every child at their primary school. These will continue into June, spending time with both them and their teachers.

Induction Information and Forms

There is a wealth of information for students, parents and carers that we need to both give out and collect about tutor groups, induction days, transport, school uniform, canteen, lockers and many other aspects of school life. This will be sent to you as appropriate during the coming weeks and also, where possible, made available on our website [perins.net](http://www.perins.net) where there is a specific [Transition Hub](#) <https://www.perins.net/transition-hub-2022/>

Time Sensitive Information

We are always facing deadlines of one sort or another and there are a couple of critical pieces of information we want to share with you that can't wait until the 16th May as we have dates from external providers. These are: Details of how to register for Hampshire Music Service music tuition and, details of how to register for our one-to-one laptop scheme. Links to comprehensive information on both will be sent to you within the next few days.

Online Payments

We have an online payment platform which you will be able to access early. You will receive a registration email with instructions and a unique code in the next few days.

Data Collection

Although some information will transfer to us from your child's primary school, we like to be sure we have up to date and accurate information. We will send links to online data collection forms over the coming weeks and ask that you please complete these as comprehensively as possible. During the Autumn term we will introduce a new parent portal to enable you to let us know about changes to details directly.

Induction day Friday 24th June 2022

This is when children spend some time at Perins with their new tutor groups, meeting their tutors and making new friends. They will get to experience a little bit of life at Perins which will hopefully include a range of activities and exciting lessons.

We look forward to meeting you and your child over the coming weeks.

If at any time your plans change and you no longer require the place, please let us know in writing or email admissions@perins.hants.sch.uk

Yours sincerely

Mr Alexei Western
Deputy Head Teacher
