

March 2022

Dear Year 6 Parents and Carers,

Welcome to Perins School!

Choosing a school for your child is one of the most important things we can do as parents. As such, may I thank you in choosing Perins and placing your trust in us. We will work closely with you throughout the next five years of your child's education journey to provide the knowledge, skills and personal development opportunities that have been proven to develop confident, resilient and well-rounded individuals prepared for the next stage of their exciting futures. Our alumni have gone on to many great things and I am confident that this cohort will follow in the same vein.

We are therefore delighted to be welcoming your child to Perins and look forward to working in partnership with you to ensure they enjoy a happy and successful time while with us.

I can imagine that the sheer number of systems, changes and knowledge of the school may be overwhelming at first. To assist the transition from primary to secondary, over the next few months, we will be sending you more information regarding the transition of your Year 6 child to Perins School and there will be a number of events to help you and your child to prepare for this big move.

We have created a new transition area on our website where we will add information throughout the Spring and Summer term with all the information that will be needed for transition.

<https://www.perins.net/transition-hub-2022/>

If you no longer require your place, please contact perintransition@perins.hants.sch.uk to advise of this, as we are oversubscribed and have many anxious families who are hoping for a space to become available.

Visiting Primary Schools

A member of the transition team will visit each and every child at their primary school between April and June, spending time with both them and their teachers. The information gathered allows us to get to know the students as quickly as possible.

Student Transition Day

The transition day this year will be taking place on **Friday 24th June 2022**. During this day, students will enjoy a variety of tutor group activities, orientation, lesson experiences, as well as meeting their tutors and making new friends; all the with aim of building their confidence ready for September. Further details of the day will be sent out during the summer term

Induction Information and Forms

There is a wealth of information for students, parents, and carers that we need to both give out and collect. Information includes data forms, SEND information, medical information, ScoPay, lockers and many other aspects of school life. For students there will be information concerning tutor groups and summer activities. This will be sent to you directly over the spring and summer terms and, where appropriate be made available on our website.

Communications

Please be aware that email communications are sent to the email address that was provided on the HCC admissions application.

We look forward to meeting you and your son/daughter over the coming months.

Yours sincerely

Mr Steve Jones
