

Dear parents and carers

It was great to welcome so many parents to our information evening on Monday. Understandably, not everyone was able to make it and so, as promised, we have uploaded the presentation to our [Transition Hub](#). From this week, we will also begin to send you links to our weekly bulletin and Head Teacher's letters.

Data Collection

As we have children joining us from so many primary schools, we like to check that the information we have is up to date and consistent. We therefore ask that you please take the time to complete the forms linked below.

[Data Collection Form](#)

[Medical Information Form](#)

[Request for consent to process facial images for catering payments](#). *We used to use fingerprints for ID in our cafeteria but now use face recognition. Full details are in the form. Please note that declining consent does not mean your child won't be able to use the cafeteria, it's just a bit slower.*

Online Payment

We use SCOPay as our online payment system for dinner money, trips, etc. Later this week you will receive another email from us containing your unique code and instructions on how to setup your account.

Contact Details

A number of parents have asked if we can add another set of contact details to their record. That information is all requested in the Data Collection Form.

Sports Dates

A professional mouthguard fitting will be available after school on the Induction Day. Shine Dental will be visiting to take fittings and mould for the dentist' mouthguard if you would like to book for your child. The cost for the guard, including the fitting is £40.80

We hold a taster day at the end of the summer holidays each year to give new students a chance to experience either rugby or netball. This year's taster day is Wednesday 31st August.

We will send further information and sign-up forms for these activities soon.

Thank you again for your time.

Yours sincerely
