Physiotherapy – Friday 10th June 2022

Dear Parents and Carers,

Registered physiotherapists (Liam Newton and team) from the Winchester Health Clinic, <https://www.winchester.ac.uk/collaboration/winchester-health/clinic/index.php> will be making a half termly visit on Friday 10th June 2022 between 1530 and approx. 1800. If your son or daughter is suffering from a long-standing injury this is an opportunity to consider.

The physiotherapists will attempt to identify the cause of the problem and prescribe remedial exercises. Appointments last for 20 minutes and a contribution of £10 (Payment via SCOPay) must be made once your appointment has been booked.

You will be welcome to attend the appointment with your son/daughter – please park at Arlebury Park and enter the school site via the footpath entrance alongside the all-weather pitch. The venue is the B1 PE classroom in Evolution block. If this is not convenient, notes will be made for your perusal. A member of staff from Perins will attend the appointments.
