

July 2022

Dear Parent/Guardian,

Year 7 Theatre Trip to Watch Frozen The Musical!

We are very excited to inform you that a trip has been organised to see 'Frozen The Musical' for Year 7 students. We have managed to secure 53 tickets for the show, so places are very limited. This promises to be a truly spectacular theatrical experience!

Trip details are as follows:

Date: Wednesday 21st September 2022
Venue: Theatre Royal, Drury Lane, London
Time: Depart: Perins School at 4.30pm
Return: Perins School approx. 11.00-11.30pm (traffic dependant!)
Cost: £41.30 (includes ticket and coach travel)

Places are **very** limited, so please register your interest by giving consent on your child's SCOPay account by 9am on Friday 8th July. **Please do not make a payment until your place is confirmed.** If the trip is oversubscribed we will draw names out at random and results will be confirmed on Tuesday 12th July. If your child is picked at random you will need to pay for your ticket via SCOPay by 9am Wednesday 13th July – any tickets not paid for by this date will go back into the draw and your child will no longer be able to go on the trip. Any student who is not picked out at random will be placed on a waiting list and we will be in touch as soon as possible if a place becomes available. If you cannot access your child's SCOPay account please email financeteam@perins.hants.sch.uk

Your child will need to bring a lots of snacks and a drink with them to eat on the bus on the way to and from the theatre.

Please ensure your child's medical details held by the school are up to date. You will be asked to confirm this as part of the process to register your interest in the trip.

Please note that the tickets we need to purchase from the theatre are non-refundable. Therefore, if your child is unable to attend this trip once you have paid, we will unfortunately be unable to issue a refund. With enough notice we will endeavour to re-sell your ticket if there is a waiting list.

Kind regards,

Miss M Alexiou-Rait
Creative Arts Director
