LITTLE OF SHOP HORRORS

Perins School Theatre is back for 2023

Not ones to shy away from the limelight we have decided not to take a year off and we are returning to the stage to bring you something new!

This year we take on one of the longest-running Off-Broadway shows of all time, Ashman and Menken's musical sci-fi comedy '**The Little Shop of Horrors**'. This production has an innocent charm blended with a wicked sense of humour and an ageless story of basic human nature: unrequited love and a desire to be more than what we are.

From **Wednesday 12th July 2023 to 15th July 2023** our audiences will be transported to 1950's Skid row in Los Angeles. Where a nerdy, insecure, down, and out floral assistant, named Seymour, becomes an overnight sensation when he discovers an exotic plant with a mysterious craving for fresh blood. Tamely known as 'Audrey II' the plant grows into an ill-tempered singing carnivore. As Audrey II's appetite grows, she offers Seymour fame and fortune as well as winning the heart of his co-worker Audrey. Things turn sour and Audrey II finally reveals herself to be an alien creature poised for global domination.

THE JOURNEY SO FAR

Auditions have taken place and our talented students have been cast. The talent and enthusiasm for this production has been phenomenal, we just could not choose so we have two casts this year.

We have recently filmed our new promotional film, set locally in Alresford and cannot wait to share it with you.

As always, we are ambitious. However, all our ambitions and visions for this production cost money and on a school budget, it just is not possible without your help. We understand the impact that the economic crisis has had on businesses and appreciate the recent pressures you may have faced.

We have been incredibly lucky and have had some overwhelming support from our local community in previous years for which we are grateful.

400 Auditioned
2 Teams (Dadoo's and the Shingalings)
120 cast members
250 hours of rehearsals
