

Exams briefing for Candidates

Summer 2024 GCSE Examinations

Timetable

A full exam timetable is now available to view on the [exams information page](#) of the school website. You will also be sent an electronic copy of your individual timetable prior to the start of the exams season. It is your responsibility to make sure that you arrive on time for all your timetabled exams. If you have any questions about your timetable, you should speak to your tutor in the first instance.

Contingency Day – Summer 2024

The national Contingency Day for the Summer 2024 series is 26th June 2024. You must make sure that you are available to sit exams up to and including this date.

Follow-on exams

If you have two of your exams scheduled to occur in the same session, you will be provided with details of the order in which you will be sitting the exams. This is likely to mean that you may have to sit one exam, immediately followed by the second.

The exam times are provided by the individual awarding bodies and we have very little leeway when it comes to making changes. The JCQ regulations outlined in '[Instructions for conducting examinations 2023-24](#)' refer in item 7 (page 17) to timetable clashes. Specifically, 7.3 and 7.4 applies. If the total time is three hours or less, the centre (us) may decide the order within the timetabled session (am or pm) in which to conduct the examinations, but they (the candidate) must remain under supervision during the periods they are not in an exam.

Practically, we will ensure that the three papers are taken with a suitable interval between each, within the parameters prescribed. It should also be noted that on these occasions, an exam may finish after the end of the normal school day. As a result, you will need to make your own arrangements for getting home.

School Uniform

You must wear the correct school uniform when sitting your exams. This is your entry badge to the school during the exam period. Summer uniform rules may be applied on a day-to-day basis.

Start Times

Morning exams will start at 9.00am and afternoon exams will start at 1.00pm. Please make sure that you are waiting outside your exam room/meeting area at least 20 minutes before the start time.

Exam Rooms & Seating plans

You are most likely to be sitting your exams in the Sports Hall. For some candidates who have particular access arrangements or are in a small group of students taking a subject, you may be seated elsewhere.

Exam locations and seating plans are displayed outside exam rooms before each exam and are also shown on your personalised exam timetable.

DO NOT assume that you will always be in the same room or the same seat for each exam. Please regularly check your timetable in Arbor as the rooming and seating plans are subject to change.

Equipment

It is your responsibility to ensure that you have all the equipment necessary for you to complete your exams.

Once you have entered the exam room you are not allowed to leave unaccompanied.

Please make sure that you bring all the equipment you might need with you into the exam room.

If you are entitled to use a laptop for your exams, or use ClaroRead, it is your responsibility to ensure that your **laptop is charged** and fit for use before each exam. If you are having problems with your laptop, please take it to IT Services. **We do not have laptops available to borrow on the day of an exam.**

What to do if you arrive late for your exam

If you know you are going to be late arriving at school for your exam you should contact Main Reception as soon as possible on **01962 734361**.

If you arrive late for an exam, you must go to Main Reception immediately, where you will be escorted to the exam location and the invigilators will assist you. If you arrive within 30 minutes of the published start time of the paper, you may be able to sit the paper, but you should be aware that for external exams the Awarding body will be informed and has the right not to accept your exam paper. If you arrive any later, the school reserves the right to decide whether to allow you to sit the paper, depending on the circumstances.

What to do if you are unwell on the day of your exam

If you are unwell on the day of your exam, you should inform Main Reception as soon as possible. **Please do not leave a message on the absence line.** You will need to provide evidence of your illness and the school will apply for special consideration from the Awarding body on your behalf. We suggest that you try to attend the exam, if at all possible.

What to do if you are unwell during your exam

If you feel unwell during your exam you should raise your hand to draw the attention of the Invigilators. They will escort you from the room. If you feel better, you can re-enter the exam room and complete your exam.

What happens if you miss an exam

If you miss an exam for a reason other than illness, or an exceptional circumstance, you will be marked as absent and will not receive a mark for that paper.

What happens in the event of an emergency in the exam room

The Invigilators will give you instructions in the event of an emergency. You will remain under exam conditions at all times and must not enter into conversation with your fellow students. A member of Senior Management or the Exam Office team will give further instructions if necessary.

What happens if there are exceptional circumstances

If there are circumstances that you feel have affected your performance during an exam or the exam series, please contact the Exams Office as soon as possible. Circumstances that might be considered are serious family illness, bereavement, illness of the candidate, recurrence of a previously diagnosed illness. If you are unsure, please contact the Exams Office who will be able to offer advice.

Contact Details

If you change address or contact details, please let the school know so that we can update our records. This is particularly important if you move house over the summer.
